Assistant Commissioner for Patents
Confirmation No. 7028
Washington, D.C. 20231

21 April 2003

Sir:

The following amendments and remarks are respectfully submitted in connection with the above-identified application in response to the Office Action dated 20 November 2002.

This Amendment is being submitted in the "Revised Format" of the manner of making amendments under 37 CFR §1.121, where the current requirement to provide two versions (a clean version and a marked-up version) is waived. The "Revised Format" was indicated in the Revised Notice dated 02/13/03 to be available to all Applicants. Therefore, the current status of all claims is given, with: all cancelled claims indicated by only number and status; all claims withdrawn from consideration indicated by only number and status; all claims being amended including markings to show changes by strikethrough and underlining to indicate deletions and additions, respectively; and all claims not being amended presented in clean version.
